

# MINECRAFT EDUCATION

## JUNIOR MASTERS DAY

WEDNESDAY 24 JULY 2024

### TEAM TREASURE HUNT

Can your team work together, exploring a vast mansion map to locate and identify the 25 Team Collaboration Skills plaques?

### SCALE IT! BUILD BATTLE

Can you build a randomly chosen Minecraft block or entity to three different scales before your timer runs out?

### AGENT OBSTACLE COURSE

Can you program and control your Agent using simple move commands to complete a challenging obstacle course?

### 5 VS 5

Use your communication, collaboration and Minecraft skills to compete in Capture the Flag and Snowball matches against other schools!

## A SPECIAL DAY FOR YEAR 4-6s

- Aims to introduce upper primary students to live esports, hosted on Minecraft Education platform
- Focus on team collaboration skills, communication, and creativity
- Leap-up activities will be provided prior to event
